Hay Canyon Outpost

We are very excited to be offering this exciting trip this year! On your Outpost journey, you will encounter many exciting new activities and will have a chance to see a brand new side of what camp can offer. This week-long program has elements of backpacking, mountain biking, and more- all with a fun Old West flavor.

We hope to see you there!

Frequently asked questions:

Can leaders join the trip?
We prefer to have at least one adult leader on each trip to provide additional leadership but we try to limit that to three adults per trip. Any additional leaders will be placed on a wait list. If room exists on May 1, we can give away those slots to adults. Registration works the same for this as it does for the youth. There is an additional fee of $50 per adult.

What gear does camp provide?
You will need to bring a backpack and personal gear. We will provide tents, cooking supplies and equipment, and program supplies.

Is there an additional charge for this?
There is no additional charge for youth to join this activity. Because we lowered the cost of adults this year, this activity will cost an additional $50.

How strenuous is this?
This trip is not for the faint of heart. While Monday is on the easier side, Tuesday and Friday are going to be a bit more tough. The trip to Hay Canyon goes up and down along the ridge line to the North of camp. All told, we will be hiking about 15 miles. Make sure you are cleared for high adventure activities when you do your medical physical for camp. Besides the hiking, most of the activities we do are very physical in nature.

Where is Hay Canyon
Hay Canyon is about 5 miles up the road from camp. You can see the turn off on the right just before you get to Wehinahpay.

How can I prepare for this?
We recommend starting to prepare physically before trying this adventure. In the months leading up to your arrival, regular hiking and walking can help to prepare you.

Does this complete any MB requirements?
While we don’t have time set aside for merit badge instruction, going on Ourpost can complete requirements 3, 4, and 5 of Woodworking merit badge and the five mile hike for Hiking merit badge.
